

August 2010

Dear Friend of the Double H Ranch,

We invite you to join the Double H Ranch and the Sciancalepore Family for a full day of fun at the 11th Annual Mini-Golf Tournament benefiting Double H children and families on Sunday, September 26th, beginning at the Pirates Cove in Queensbury and ending at the Double H Ranch in Lake Luzerne.

With your help, the Sciancalepore Family has raised over \$107,000 in support of the children and families at the Double H Ranch. Helen recently shared her family's story with me —

My husband, Joe, had the unique quality in always finding joy in life and sharing it with everyone. He instilled family values in my children that included sharing happy times and making memories together. Because he loved seeing children and families having fun while working for over 26 years at Storytown/The Great Escape, it was so fitting that he had a special place in his heart for the Double H Ranch. He volunteered there as often as he could. We knew that he wasn't finished sharing happy times and making memories, so we started this fundraiser in his memory with the help of Charley Wood. All the proceeds go to the Ranch to help children share in their own happy times while making their own memories! Being a part of the Ranch couldn't be a better tribute to Joe."

Support the Double H and the Sciancalepore Family on September 26th by sponsoring a hole.

Encourage your employees to come out and play or simply make it a family outing.

We promise, there's no better way to spend your September day.

Health and Happiness,

Linda T. Smith
