get inspired, go inspire.

Founded by Charles R. Wood and Paul Newman
in memoriam:

Paul Newman
(1925-2008)
He is our co-founder. His presence remains at the Double H Ranch and he is a part of the magic.

Paul, you got us inspired...
and we will continue to go inspire.

— Your family and friends at the Double H Ranch

He continues to inspire and motivate us to deliver his dream of a better place for children. Paul Newman’s passing has renewed our commitment to preserve and expand his legacy.

Paul’s commitment to and impact on the Double H Ranch children and families is evident by the outpouring of e-mails, letters and calls we received from our extended family, friends and business associates sharing their stories (and their tears) about Paul.

So many members of our Double H family had the opportunity to personally meet Paul during one of his numerous visits to camp, and those of us who did not have the honor of meeting Paul were taken aback by our feelings of the loss of a close friend.
Dear Mr. Newman,

I am writing to you to thank you from the bottom of my heart for the Double H Ranch in the woods away. I recently went to camp and the experience was incredible. I got to do things I have never done since I was a child. That was 13 years ago. Thank you for making dreams become a reality for me and others that are like me. I experienced things I never imagined or even thought possible. While I was at camp, thank you for making the unbelievable seem imaginable and the impossible, now become our reality. Individuals all over the world want to go to camp every year. Until I was 13 years old, I never thought about it. I held it always to be my prayer.

Sincerely,

**Double H Ranch 2008 Annual Report**

*Editor: Linda T. Smith*

*Graphic Design: Trampoline Design*

*Illustration: Erin Higgins*

*Photography: Emo Castle, Jim Smith, friends & family*
2008 was an inspiring and fulfilling year. Despite market upheaval and an uncertain economy, each of our summer residential campers ‘Got Inspired to Go Inspire’ during their Week in the Woods. The Double H winter students and families had an ‘awesome’ season on the slopes taking advantage of Charley’s Chalet, the new ski lodge. The Double H Spring and Fall Family-Based Program participants could not say enough about the program staff and volunteers who supported their weekend stays. Because of you we met our goal of securing a $3.1 million annual operating budget.

Our Board remained focused, working alongside Max on addressing the organization’s strategic issues with the goal of enhancing organizational and financial sustainability. We are accountable not only to the over 1,750 children and family members we serve annually, but to meeting the expectations of our loyal individuals, foundations, organizations and corporations who partner with us to deliver our mission.

This year I’ve had the privilege of spending time with the multifaceted Double H family. I’m enlightened by interactions with the year-round staffers who wear many hats as they play numerous roles and hold in high esteem the record number of 209 winter volunteer instructors, National Ski Patrol and lodge hosts who bring magic to the slopes. I have great respect for the incredibly talented and committed 125 summer staff members who deliver an unforgettable week of Adirondack adventure to our summer campers, and I am in awe of the 1,500 medical, individual and community volunteers.

The pages upon pages of names of generous donors who helped us reach this year’s goal of $3.1 million make me realize that my voice is just one in thousands… and although the Board is accountable for executing the bylaws, I recognize that our success lies with these extraordinary groups of people who come together to create the magic. Thank you for a terrific 2008.

Victor Hershaft, Board Chairman
While we are all deeply saddened to lose an extraordinary man and our co-founder of the Double H Ranch, we need to celebrate the life and legacy of this beloved hero. Paul Newman’s passion and selfless commitment to the welfare of families and children living with serious medical illnesses have inspired people everywhere.

When Paul partnered with Charley Wood in 1992 you could see the enthusiasm and pure joy in the eyes of both of these men as they created the second Hole in the Wall Camp, the Double H Ranch. When these men interacted with the children you could sense their delight in knowing that they were making positive and lasting changes in the lives of these amazing kids. As a bonus, their lives changed as well and we will continue to fulfill their vision in providing the highest quality of programs and medical services as a tribute to them and their extraordinary legacy.

As we all know, 2008 was filled with unique economic challenges and opportunities for all not-for-profit organizations. The Double H Ranch is uniquely challenged with the reality that we will never charge for direct services, but we are also blessed in many ways.

Our community has embraced our critical mission since inception in 1992, and I truly believe that our society has renewed their commitment to continue to dedicate their time and resources in helping those who are less fortunate.

Our product is “changing lives” and with this comes an incredible sense of responsibility and obligation. Childhood illnesses are unfortunately not going to disappear, so we must constantly evaluate our key strategic issues and core initiatives while monitoring the components that make up our success.

We should always reflect on how we have gotten where we are today and look to the future with receptive outlooks and creative thinking. Together, we will achieve financial sustainability to ensure that the life-changing gifts of the Double H Ranch will always be afforded to our amazing kids and families. Thank you for believing in our mission and potential to make positive changes in the lives of others.

Max Yurenda, CEO/Executive Director
medical diagnoses we serve

From the medical support staff:

“...though the population of children with HIV screening is decreasing, the spectrum of illnesses that the Double H serves has increased. The diagnoses of the children I see at the Double H have grown. In the beginning, most of the children suffered from HIV, sickle cell disease, leukemias, and solid tumors. The diagnoses now include children with a wide variety of blood disorders, neuromuscular diseases, genetic disorders and metabolic diseases. And, the entire medical staff takes care of many more campers and counselors per camp session than we did fourteen years ago.”

— Dr. Ray

Summer 2008 (by number)
- Sickle Cell Anemia
- Neuromuscular Disorders
- HIV/Immune Disorder
- Hemophilia
- Other Blood Disorders
- Other Diseases
- Cancer
- Leukemia
- Rare Diseases
- Mitochondrial Disease
- Collagen Vascular Disease

Winter 2008 (by percentage)
- Neuromuscular Disorders 4%
- Other Diseases 2%
- Autism 4%
- Cancer 5%
- HIV/AIDS 10%
- Hemophilia 5%
- Sickle Cell Disease 39%
- Visual Impairments 24%

From the medical support staff:

“...though the population of children with HIV screening is decreasing, the spectrum of illnesses that the Double H serves has increased. The diagnoses of the children I see at the Double H have grown. In the beginning, most of the children suffered from HIV, sickle cell disease, leukemias, and solid tumors. The diagnoses now include children with a wide variety of blood disorders, neuromuscular diseases, genetic disorders and metabolic diseases. And, the entire medical staff takes care of many more campers and counselors per camp session than we did fourteen years ago.”

Raymond Walsh MD, aka Dr. Ray, has worked in the Pediatric Care Unit of the Children’s Hospital at Albany Medical Center since 1988, caring for children facing acute life-threatening illnesses. Dr. Ray has been volunteering summers at the Double H Ranch since 1994.
July 2008

Dear Counselors and Staff of Double H Ranch,

We are confident that you have heard (and read) this before—what a truly wonderful experience you provide at Double H Ranch! We just wanted to take a moment and express our heartfelt gratitude to each and every one of you for the great time our daughter Melanie had at camp during Session 2. From the very first second upon entering the camp grounds and being greeted with applause and cheering to the tearful singing and hugs good-bye we knew she was in good hands. In fact although you tell people that Double H stands for Health & Happiness—we know the secret (shhh, we won’t tell). Double H really stands for Heavenly Hands!

Thank you for making a difference—making a difference in the lives of the campers who attend, like Melanie and also making a difference in the lives of the families too (like ours!). We are telling every one of Mel’s adventures—whitewater rafting, overnight tent camping, and zip-lining. We have tried to always include Melanie in everything we do—to not let her physical condition prevent her spirit from experiencing all that life has to offer.

She is a blessing to us. She has transformed our lives and so often the lives of those she meets. We have been blessed by all of you from the nurses, to the maintenance worker, to front office staff, to the Board of Directors, the corporate partners, to the 2nd grader reading books to raise funds, and especially the wonderful counselors in the Bear Cabin. Thank you from all of us!

—Tim, Valerie, Lisa, Melanie, Andrew & Nicole; The Sember Family
“During the dance I looked over and almost every single wheelchair was empty. Everyone was dancing.”  Volunteer favorite moment, Session 6
The foresight, sanction and support provided by our co-founding organizations The Charles R. Wood Foundation and the Association of Hole in the Wall Camps to meet the growing popularity of our winter program, coupled with the commitment and generosity of many more supporters, has allowed us to make this dream a reality for the Double H Ranch. On January 5, 2008, we kicked off the 11th season of the Adaptive Winter Sports Program with the celebration of a brand-new ski lodge that will enable us to give twice the number of children the opportunity to learn a life-long skill and experience the magic of snow. This season we served a record 168 students and 400 family members.

"Nick can ski on his own! He can manage a race— make turns and stop (most of the time). He started six years ago with a walker— he now believes anything is possible.”
— Nick’s mom

Nick, one of 168 winter students in 2008, masters the art of the turn.

New in 2008, Charley’s Chalet, a ski lodge that serves twice the amount of children than before.

New York 134
Pennsylvania 14
New Jersey 8
Other 7
Connecticut 3
Massachusetts 2
1. Above: *Empire State Games*. All 14 Double H skiers and snowboarders participating in the Empire State Games for the Physically Challenged in Lake Placid, NY, accompanied by 30 volunteer instructors, took home the GOLD for their amazing accomplishments on the slopes!

2. Top right: *Chloe skiing*. “Chloe has been wanting ‘her turn’ to ski since she could verbalize it. Her many (7) brothers and sisters ski, and she has patiently been waiting. To send her to this program confident she would be safe and treated normally, well it’s what parents of children with a disability dream of. Chloe’s brother, Issac, also completed the Double H program. She is who we always hoped she would be; a skier with a handicap, not a handicapped skier.” *Chloe’s Mom and Dad*

3. Middle right: Snowboarding continues to grow in popularity with our students; many of whom have become accomplished skiers are turning to snowboarding as the next feat “Dude, you just gotta barge that jump!”

4. Lower right: *Billy & Deb*. Billy and his dad look forward to their ski days. “We mark Billy’s calendar with the dates and he counts down until then. Deb has been a wonderful instructor; she has been very patient, kind and supportive. She has helped him reach his goal of going down the mountain.” *Billy’s dad*
We successfully hosted our first Diabetes Family Weekend with 80 children and family members participating. The two-day event is designed to meet the needs of children living with Type 1 diabetes and their families. Type 1 diabetes is usually diagnosed in children and young adults, and was previously known as juvenile diabetes. The weekend served as both an educational session for parents with a variety of resources available, and a respite weekend to network with other families.

2008 CALENDAR, SPRING THROUGH FALL:

APRIL

Diabetes Family Weekend – an educational retreat weekend designed to meet the needs of children living with Type 1 diabetes and their families.

MAY

Bravehearts Weekend – an oncology camp for women who have survived various cancers.

Autism (ASD) Family Weekend – a weekend dedicated to families who have a child on the Autism Spectrum, providing the traditional camp experience for children hosted in our Adaptive Winter Sports Program but are not eligible for the summer program.

Cindy’s Comfort Camp – in conjunction with Glens Falls Hospital, a weekend designed for children who have a parent or sibling diagnosed with a life-threatening illness.

JUNE

Camp Inspiration – five days dedicated to giving children living on ventilators and their families a summer camp experience.

SEPTEMBER

Rosie’s Love Roundup – an annual event bringing families to camp that have had one of their children diagnosed with cancer.

Rosie’s Love Memorial – an annual event serving families who have lost a child to an illness.

OCTOBER

Cindy’s Comfort Camp – in conjunction with Glens Falls Hospital, a weekend designed for children who have a parent or sibling diagnosed with a life-threatening illness.

Bravehearts Weekend – an oncology camp for women who have survived various cancers.

Bleeding Disorders Weekend – serving families with a child diagnosed with different types of bleeding disorders.

Spina Bifida Weekend – an annual family retreat bringing together families in which a child is diagnosed with Spina Bifida.
Get Inspired... Go Inspire.

Spring and Fall statistics

- Served over 600 individuals in our Spring and Fall Family-Based Programs
- Hosted a Fourth Annual Family Fall Day, organized by the Parent Advisory Council
- Held an Adaptive Winter Sports Program Orientation weekend in November for all volunteer winter instructors
- Celebrated our 16th Annual Holiday Party in December for 250 attendees

Subject: Thank you AGAIN!!!

Tara,

Thank you and all the Double H staff again for a terrific Autism Family weekend. Everyone at Double H went out of their way to make it such a memorable experience for us. I don’t think I could ever express in words how grateful we have been. Aaron really enjoyed himself. He is like the energizer bunny and it’s hard to get him to stop, and yet he was actually exhausted after all the fun at Double H. He LOVED IT and I loved it too!! It’s an incredible bonding experience for us. It’s so nice to be treated and cared for in the way the staff has shown their concern for us.

Thank you too, for the DVD slide show. The songs on the DVD are so touching as well. You all have been so thoughtful. I’m sure all of the families will treasure their DVDs!

We are looking forward to hopefully be able to come to Double H for the Winter Program. Hopefully, our 17 year old will be able to join us this winter before he goes to college the following year. I look forward to Double H like most people would look forward to a Disney World vacation. Seriously!!! I get that excited inside!!

Sincerely,
Sharon Klob
“I want to take this opportunity to tell you why I am compelled to give charity dollars to the Double H Ranch... today more than ever I need to be assured that the dollars you and I give to the Ranch in support of our kids are being managed wisely and with the utmost integrity and for the greatest good of the camp... Out of each and every dollar donated to the camp 75 cents is directly invested back into running our operation. And, I can state with confidence that it is our goal to continue to devote the majority of our spending to programs and services provided to the Double H children and families.”

— Victor Hershaft, Board Chairman

2008 Summer Statistics

- Executed 8 summer sessions, serving a total of 797 summer campers, including a session for alumni campers
- Served 10 children on ventilators and their families during Camp Inspiration, thanks to the support of Albany Medical Center volunteer doctors, respiratory therapists and nurses
- A growing partnership with the Muscular Dystrophy Association resulted in 25 children with Muscular Dystrophy attending camp
- Reported a strong 45% summer staff retention rate
- Program support augmented by 757 summer program volunteers

Winter volunteer hours in 2008 totaled a record 14,410.75.

Participants from the 2008 Autism Family Weekend.
2008 Winter Statistics

- Record year for number of applicants, children/families and volunteers
- Served a total of 168 students and 400 family members; Met goal of serving 25 children each regular operational ski day
- Taught over 500 lessons to students and over 900 lessons to family members
- Increased number of families served during five Family Sleepover Weekends by 40%; with 80 families participating in the residential winter programs
- Introducing our children and families to the magic of snow, our 209 winter volunteers dedicated 14,410.75 hours to the slopes

Our GE volunteers dedicated a record 1,296 hours of time throughout the year installing flooring, painting, staining and tearing down a cabin for refabrication in preparation for the next season.

"The campers may look up to us as volunteers/counselors, but really I think many of us look up to them even more."

—Volunteer Arielle Eagan, session 1

The Double H Ranch Annual Report 2008
get inspired, go inspire.

The mission of the Double H Ranch is to provide specialized programs and year-round support for children and their families dealing with life-threatening illnesses. Our purpose is to enrich their lives and provide camp experiences that are memorable, exciting, fun, empowering, physically safe and medically sound. All programs are FREE of charge and capture the magic of the Adirondacks.

Founded by Charles R. Wood and Paul Newman
