FOR IMMEDIATE RELEASE

Nearly 1,000 children are awaiting their Adirondack adventure... Double H Ranch Kicks off Camper Sponsorship Appeal for 2010

Lake Luzerne, NY – May 25, 2010 – The Double H Ranch announced today that it is seeking camper sponsorships for the 2010 summer season that will make it possible for a child dealing with a chronic or life-threatening illness to spend a week in the woods FREE at the Double H Ranch in Lake Luzerne. The Summer Residential Camp program hosts nearly 1,000 campers (73 percent from New York State) who, because of a medical diagnosis, are unable to attend other summer camps. The 24-hour, on-site medical personnel, 2:1 camper/counselor ratio and hundreds of volunteer partners afford Double H children their week of Adirondack adventure.

“Can you believe I climbed the cargo net 25 feet to the top platform at the High Ropes Course”, said camper Jason, “Can you believe I got all the counselors out in dodge ball”, said camper Johnny; “Can you believe I made gooey green slime – eww! it’s cold and slimy, but yucky and fun!”, said camper Erin.

Two percent of the \$3.3 million annual operating budget raised each year by the Double H Ranch comes from co-founders, The Charles R. Wood Foundation and Newman’s Own Foundation, while ninety percent comes from the local community. Believe that you can make a difference by changing the game for Double H children. A full camper sponsorship is \$1,800, and there are opportunities to sponsor a child for a full week, ½ the week, 2 days of the week, 1 day of the week or any amount therein. The monies raised for Camper Sponsorship provides time — time to ride a horse, to climb the cargo net at the High Ropes Course, to make ice cream and slime, to tell stories around the campfire, to make a beautiful pair of earrings for mom, to take a 7:00am polar bear swim, to catch 18 fish — the kind of time that is often taken for granted — the kind of time that lives on forever.
