*The Double H Ranch is a non-profit organization that provides year round programming to children and their families dealing with life-threatening illnesses. All programs are offered **free of charge** to capture the Adirondacks. Founded by Charles R. Wood & Paul Newman*

JOIN US FOR VIRTUAL EVENTS & HOME ACTIVITIES:

Safely connect virtually with other families – Throughout the weekend, Double H staff and volunteers will host a series of virtual camp events using the online platform Jigsaw Interactive. Just like traditional weekends, we'll kick things off with an Opening Campfire and end with a Family Talent Show.

Spend time connecting at home with your family – We'll provide How To's for your favorite camp games and activities that have been adapted for home. With simple materials you can find around the house, your family can create an egg drop challenge, make your own ice cream, or play SPUD wherever you are this Fall.

VIRTUAL FAMILY WEEKEND SCHEDULE:

Families will log into Jigsaw Interactive to participate in the weekend's virtual events online. Official program schedules will be provided to families once you have been confirmed for the weekend.
