

VIRTUAL PROGRAM VOLUNTEER

DOUBLE H RANCH

Fall family weekends are a time for the whole family to share the joy and magic of Double H. **Virtual family weekends** will look a little different but families will still relax and have fun together, challenge themselves, and gain new experiences.

Through the support of volunteers and staff, families can participate in virtual camp activities, sing songs around the virtual campfire, and participate in an epic talent show.

The Program Volunteer Role will help make the weekend happen for our families. Responsibilities include helping to create or facilitate activities, leading songs and cheers, and helping families have as much fun as possible.

TIME COMMITMENT

Volunteers will commit to participating in most of the weekend activities that occur throughout the day (about 4 hours each day).

TECH REQUIREMENTS

You will need a computer or tablet with a webcam and microphone. Plus, a quiet space for meetings and camp events!
